

## 2nd Annual Bucks County Super Kids Classic

SEPTEMBER 27, 2008

The Bucks County Soap Box Derby is proud to present:  
The Bucks County Super Kids Classic  
A fun filled event especially for special needs children.

We hope to have as many as forty special needs kids from all across Bucks County participate in a double elimination soap box derby race. Each child will ride in the car at least four times during the event, more if the racer wins a heat. The cars used in the race are designed to carry two people, one of whom will be an experienced driver. Some of the cars are wheel chair accessible. All racers will be provided with bicycle style safety helmets to use during the event.

Each child will be given a medallion to commemorate his / her participation in the event. Each racer will be given a tee-shirt to wear & keep.

There will be a hospitality tent where light refreshments will be served, the kids can decorate their own pinewood derby car, and race it on a track. Paper and drawing materials will also be on hand if a child want's to color while he/she waits for the next race. Plan to bring your child's lunch with you.

The event is being held at the Bucks County Community College East Parking Lot. Depending on participation there may be a morning and an afternoon event. We expect that a child will spend about four hours participating in the race.
